This Financial Aid Agreement is for students participating in the School of Engineering Professional Practice (Co-Op) Program. The Co-Op provides students with real-world work experiences and various professional development opportunities within their field of study. To qualify for a Co-Op, students must have a minimum 2.5 overall GPA with at least 30 hours, be offered a position to work a minimum of 37.5 hours per week, and gain approval from their department chair to participate in an official School of Engineering Co-Op. The Co-Op work terms will adhere to the dates as defined in the university’s Academic Calendar (there are three defined work terms per year: Fall, Spring, Summer). Students in a Co-Op are employed for the full duration of the term and will work a minimum of 37.5 hours per week.

The Office of Financial Aid is responsible for all financial aid matters for students in the Co-Op program. Financial Aid assumes responsibility for awarding and manually disbursing funds to the student and returning Title IV funds, if warranted. Students in this program are only eligible to receive federal aid (e.g., Pell Grant, SEOG, Federal Direct Loans, Parent PLUS Loan), scholarships that are specifically targeted for the Co-Op experience, or non-federal private loans. State aid (e.g., MTAG, MESG, HELP Grant) and University of Mississippi institutional aid (including Academic Excellence, Ole Miss Opportunity, or other institutional scholarships) is not available for students in the Co-Op, because they will only be enrolled in 1 to 5 credit hours each term.

Please know that for the purposes of receiving federal aid, students must work the hours indicated below to qualify for aid at the enrollment status listed, or awards may be adjusted or cancelled:

Disbursements for financial aid will occur five days before the first official day of the term, provided all requirements are met.

This form must be completed and signed by the student and submitted to the Office of Financial Aid before financial aid can be awarded and disbursed. PLEASE NOTE: Students in a Co-Op that is a summer-to-fall rotation must complete this form again at the start of the next fall term (because fall begins a new award year).

Students must accept the scholarship online through the award notification in MyOleMiss.
